

Programme AFLiCo9

MERCREDI 15 MAI			
HORAIRE	AMPHI MILC	SALLE 104	SALLE 108
9h-9h30	Accueil et discours introductif		
9h30-10h30	Conférence plénière - Zoltán Kövecses : "Conceptualizing anger around the world"		
10:30-11h	Pause café		
11h-11h30	Semantic nuances in interjections: The case of pain, Maïa Ponsonnet	I Saw Cthulhu and I Lost My Mind: Multimodal Representations of Cosmic Horror in John Carpenter's "In the Mouth of Madness" and Beyond, Ilhana Nowak	Does language constrain spatial thinking, categorization of motion events and gaze behavior? A crosslinguistic investigation, Efstathia Soroli
11h30-12h	Expressing and understanding figurative language about emotions in Spanish as a second language, Laura Suárez Campos	« Pendant que la tempête traverse mon corps » : ressources métaphoriques et multimodales dans les récits d'accouchements oraux et écrits, Charlotte Danino	Cognition incarnée : postures et gestes au service de l'apprentissage des langues, Josefina Carrera-Sabaté, Patricia López García, Joan Borràs-Come
12h-12h30	L'expression des expériences émotionnelles en wolof - approches lexicologique et syntactico-sémantique, Loïc-Michel Perrin	Proximalization of distal daily events in family dinners through words, gestures and signs, Charlotte Danino, Aliyah Morgenstern	Effets des actions sur l'encodage et la récupération de mots en langue étrangère, He Zhang Yuting, Nathalie Huef, Karine Duvignau
12h30- 14h	Pause midi		
14h-14h30	L'asymétrie motrice, un des déterminants de l'asymétrie Source-But, Alice Catherine Roy, Véronique Boulenger, Simon Devylder	Le statut de la vélaire nasale et du -ing en français : une étude empirique, Corentin Mazet, Arielle Roadman	Le rôle des expériences sensorimotrices et du contexte dans la représentation et la mémoire de concepts concrets et abstraits, Quentin Marre
14h30-15h	SEX IS ASCENSION and WOMAN IS ENEMY. A cognitive analysis of incel ideology, Sabina Tabacaru	Tark, shperlack, burfip, and other alien bad words: investigating a sound-meaning association in swear words of English and French, Robin Vallery	The mechanics of meaning. Understanding metaphors and image schemas through animacy and inanimacy, Marcos González Vidal
15h-15h30		Mapping language variation in the context of Australian mobilities, Erwanne Mas	Metaphor processing in Modern Greek : what does it mean to be "conventionnal" ?, Madeleine Voga et Anna Anastassiadis-Syméonidis
15h30-16h	Pause café		
16h-16h30	Réponses déclaratives et physiologiques au cours du processus de compréhension de l'oral en L2, Triscia Biagiotti, Monica Masperi, Chantal Delon-Martin	The structuring of locative information in English and in French, Mégane Cadot, Mégane Lesuisse, Maarten Lemmens	Multimodal strategies for delivering irony in political speech, Dima Alkhateeb, Manon Lelandais
16h30-17h	Phrases préfabriquées interrogatives à fonction métalinguistique : vers une modélisation sous forme de phrasèmes constructionnels, Agnès Tufin, Francis Grosman	The value-driven metaphors of LANGUAGE during the debates of "language crisis" in Estonia (2020-2022), EneVainik, Geda Paulsen	Humor in Conversation A Cognitive-pragmatic Analysis of Banter, Salma Errami Fennane
17h-17h30	Beyond type frequency: the role of variability and similarity in the productivity of constructions, Florent Perek, Adèle Goldberg		Exploring the Foreign Language Effect: A Study on Emotional Responses to Taboo Words, Victoria Kamp, Maud Pelissier, Emmanuel Ferragne

JEUDI 16 MAI

HORAIRE	AMPHI MILC	SALLE 410	SALLE 108
9:30-10:30	Conférence plénière - Hermine Penz: "Ecolinguistics: Studying the interactions between language and environment"		
10:30-11h	Pause café		
11h-11h30	A cognitive linguistic and eco-linguistic analysis of prospective creative writing, Catrin Peterson, David Le Roux, Elodie Merlot, Jérémy Omer, Nathalie Rannou, Matthieu Romagny	This is how we roll (and spin) in French from a multimodal perspective: Cross-modal analysis of rotating events, Laura Peiró Márquez, Iraide Ibarretxe Antuñano	Embodied spatial coordination in child-pet interaction, Rea Peltola, Marine Grandgeorge, Yaru Wu, Anne-Sophie Darmaillacq
11h30-12h	Stance and legitimation in corporate responsibility reports: A corpus-based ecolinguistic approach, Jorge Fernández-Avilés	How do teachers adapt their multimodal behaviors when addressing L2 learners? An Exploratory Study, Julien Perrez, Christina Piot	Teaching and testing embodied reasoning in FLT: A case study on German motion and localization expressions, Françoise Gallez, Manon Hermann
12h-12h30	Exploring theories of embodied cognition in multisensory audio description (AD) in botanic gardens for blind, partially sighted (BPS) and non-blind audiences, Jessica Beale	Le transfert rythmique de la parole à travers une approche multimodale, Tilia Gamba-Kresh, Jordan Souchet	On the conceptualisation of locative events: the analysis of co-verbal eye-movements in a describing-matching task, Mégane Lesuisse
12h30-14h	Pause midi		
14h-14h30	Formal tree or conceptual forest?, Guillaume Desagulier, Philippe Gréa	Metaphor scenario as an explanatory tool in the pro-vaccine discourse Tatjana Đurović, Nadežda Silaški	
14h30-15h	Corpus-based and experimental evidence in the study of evaluative constructions: a crosslinguistic investigation, Alina Tsikulina, Eva Soroli	Encountering a strange erratic: the embodied animacy of a boulder stone, Rea Peltola	
15h-15h30	No equivalence: A computational model, Benoit Leclercq, Cameron Morin, Dirk Pijpops	Combinatoire lexicale et profilage du sens du lexème « embryon », Ana-Maria Cozma, Kim Lehtonen	
15h30-16h	Pause café		
16h00-17h	Conférence plénière - Iraide Ibarretxe-Antuñano : "Sounds with meaning and beyond: the case of ideophones as aesthetic catalysts"		
17h-18h	AG AFLICO		
Diner festif - Brasserie Georges			

VENDREDI 17 MAI

HORAIRE	AMPHI MILC	SALLE 104	SALLE 108
9:30-10:30	Conférence plénière - Anna-Maria De Cesare : "How do we measure the linguistic competence of AI-based tools?"		
10:30-11h	Pause café		
11h-11h30	Cognitive narratology and Brexit discourse: How Vote Leave narrativized their pro-Brexit arguments, Alma-Pierre Bonnet	Cognition incarnée et Terminologie : Exploration du rôle de la simulation motrice dans le traitement des concepts liés aux connaissances spécialisées, Larisa Seredova, Anne Condamines, Elodie Labeye	On the Directional Encoding of Visual and Auditory Events in English, Yana Aquilina, Anetta Kopecka, Laure Sarda
11h30-12h	Comprendre les Gilets Jaunes à travers le prisme des cadres sémantiques et des métaphores conceptuelles : une analyse captivante de la presse espagnole, Estéfano Rodríguez-Peláez	Cross-Linguistic Analysis of Information Structure in French and French Belgian Sign Language: The Case of Contrastive Focus, Clara Lombart	Lexicalization patterns and language variation under the microscope: a corpus study on motion event encoding in French, English, and German, Adélie Buclier, Efstathia Soroli, Anetta Kopecka
12h-12h30	Ukraine aujourd'hui, Taïwan demain ? Analyse critique du discours sur l'analogie entre Taiwan-Chine et Ukraine-Russie, Peici Li, Marc Allasonnière-Tang	The Source/Goal (a)symmetry in Negidal: encoding Grounds in a Tungusic language, Laurène Barbier	
12h30-14h	Pause midi		
14h-14h30	Construal operations as polarising discursive devices in Brazilian and Spanish far-right populist tweets: Going beyond metaphor, Silvia Peterssen, Augusto Soares Da Silva	Encoding path and manner in metaphorical motion sentences, Ann Veismann, Piia Taremaa	
14h30-15h	Conceptual metaphor in the political discourse of the Catalan pro-independence conflict, Carmen González Gómez	The Intelligibility and Comprehensibility of French-accented English in an Academic Context: how do L2 productions affect recognition?, Victoria O'Callaghan, Anne Przewozny-Desrioux, Julie Lemarié	
15h-15h30	Language in Orbit: Compounds and the Conceptualization of Outer Space, Kajsa Törmä	The impact of speed-induced language on the processing of Goal-oriented visual scenes: An eye-tracking study in Estonian, Piia Taremaa, Ann Veismann, Laura J. Speed	
15h30-16h	Pause café		
16h-16h30	Étude sociolinguistique du choix de structure de question partielle en français hexagonal : conclusions tirées de données expérimentales, Corentin Mazet	La force des connecteurs. Réflexions autour d'expériences pilotes sur les marqueurs de causalité et de concession, Mathilde Dargnat, Maeva Sillaire	
16h30-17h	Intersubjectivity, Interaction, and Viewing Arrangements: A New Typology of Event Conceptualization, Akira Machida	The Influence of Affective-Meaning on Anaphora Resolution, Kalle Glauch	
17h-17h30	Does "I" have confidence in their own opinion?, Sophia Burnett	An Experimental Examination of the Stage Model in Cognitive Grammar, Yusuke Sugaya	
17h30-18h	Clôture
